

Timeline

Name: _____ Date: _____

Write a fact about each date on the timeline.

A vertical timeline is shown on the left side of the page. It consists of a solid vertical line with a small circle at the top and an arrowhead pointing downwards at the bottom. Five horizontal lines branch off to the right from the main vertical line at regular intervals. Each horizontal line connects to a large, empty rectangular box with rounded corners, intended for writing a fact corresponding to a date on the timeline.
